

**Axial® SCX10 III™ Base Camp | 1:10 4X4 RTR**

**AXI-1375**

**KEY POINTS**

Affordable doesn't have to be boring. The updated Base Camp brings a sport-level price point without the sport-level dull presentation. Whether it's a first crawler, an addition to a growing collection, or the base for the next big project, the new Base Camp redefines budget-friendly crawlers. Looks and value combine to make the SCX10 III Base Camp the perfect choice to take to the trails or the bench.

**What's New:**

- Two new colors with updated graphics – **gray and white options, and a whole new look**
- Scale Accessories – **adventure ready with snorkel, overland rack, recovery boards, and storage container**
- **5-channel receiver** – upgrades are easy with the extra channels on the Spektrum SR515 receiver. No more 2-in-1
- **25-spline servo** – Spektrum waterproof, metal gear servo in popular 25-spline
- Waterproof ESC – Spektrum Firma **Waterproof 2S and 3S capable ESC**

**KEY BENEFITS**

- Popular SCX10 III lineup – tons of existing replacement and aftermarket parts
- Outfitted with detailed scale accessories
- Great value and great looking at **only \$319.99**
